Easy Victory for Lowell Textile

VISITORS OUTCLASSED BY
LOCAL ELEVEN

Score Piled Up to Final of 27 to 0.

Lowell Textile buried Tufts freshman team Saturday afternoon with a score of 27 to 0. Had the Tufts varsity team been on the field the local college might have had something to fight against.

From the first touchdown after two minutes of play until the last minute of the game, it was all Textile's. Only four times was Tufts able to make first down while Textile only failed three times to make the required distance. Twice fumbles cost Lowell the ball and another touchdown.

Marker, Lombard and Wentworth had no trouble in going through the Tufts line and making large gains. Goosetrey, Scott and Schwartz, Textile's husky centre and guards, made the pivot about which the team moved. Not an inch could the Tufts backfield make through them and in offensive plays they ripped big holes in the opposing line.

Bowen, the stocky little quarterback played the best game for Tufts. Reynolds, their left guard had a little tough luck and was knocked out when he tried to block one of Stevens' mad rushes down the field.

Textile started the game with a rush and as in last week's game, scored a touchdown in less than two minutes of play. Marker received the kick-off and ran the ball back to the 40-yard line. Stevens, Marble and Pierce all went through Tufts' line for gains and with the game scarcely well underway, Stevens dropped back from the line and threw a forward pass to Goulet who made a touchdown. Capt. Precourt kicked the goal and the score was 7 to 0 in Textile's favor.

Lowell kicked off but Tufts could not make a gain and lost on a fumble. After an uncompleted pass, Stevens punted and finally Textile recovered the ball when Tufts was forced to punt. Then in a series of line plunges, Mott, Marker, and Pierce went through the centre of Tufts line for three first downs and placed the ball on the one yard line just as the quarter ended.

At the beginning of the second quarter it was easy for Marker to make one yard through centre and another touchdown was chalked up. Precourt added one more point by dropping the oval squarely between the uprights.

Textile 18 Fitchburg Normal 6

Textile smared an 18-6 defeat on Fitchburg Normal in a loosely played game on our campus November 1st. We outplayed them in every angle with the exception of forward passing; nearly all of their gains being made by the aerial route. The game was attended by a large crowd. Lombard played his first game in the backfield, and showed a brand of football seldom seen on our campus. He featured in both open field running, and line plunging, while his defensive playing was of the hard, accurate All-American type. Stevens not only played his usual strong offensive game, but made many gains on end around plays. Brown and Scott featured for us in the defensive playing, breaking thru time and time again, browning the visitors for a loss.

The game started when they kicked off to Lombard on the 20 yd. line, who ran it back 15 yds. Wentworth and Stevens made first down in three tries and then Lombard and Fontain made first down in two rushes. Lombard shoots a perfect 30 yd. pass to Goulet who carries the ball over for a touchdown. Try for goal fails.

Schwarz kicks off to their 10 yd. line, and Scott gets the tackle on the 20 yd. mark. Precourt stops them on the first scrimmage and Stevens and Cochran on the next. Fitchburg was given first down on a penalty imposed on us. Scott and Fontain stopped them on the first two rushes. Their punt was blocked, but luckily recovered by them. Cochran stops them for no gain on the first two downs. They punt to Goldman, who fumbles giving them the ball. Schwarz and Brown throw them for a 5 yd. loss. They succeed in working two forward passes and gain on two line plunges. Our line then holds. Stevens holds them for a no gain. Brown tackles for a 5 yd. loss. A long pass fails to make first down, giving us the ball on our 20 yd. line. Lombard crashes thru for a 8 yd. gain. Two unsuccessful forward passes followed and Stevens was forced to punt.

Second Quarter

The second quarter starts with their ball on the 40 yd. line. Stevens holds them on the first play, followed by a 2 yd. gain on skin tackle. Scott threw them for a 3 yd. loss and they were forced to punt, but recovering the ball on a fumble by Textile. After failing to gain, they attempt to punt but were

Forsaith '20 Elected Baseball Captain

At a recent meeting of the baseball men Charles Forsaith, '20, Nashua, N. H., was unanimously chosen to lead the team this spring. The choice is a mighty fine one, as "Charlie" knows baseball from beginning to end, having played on the varsity for two years, and also having played summer ball for the last two summers with the fast independent team in Nashua.

In addition to his knowledge of the game and his marvelous ability to "pick those liners" from his shoe strings, Charlie is a great worker. All in all the first start towards a very successful ball season has been made, and may the ending be as good as the beginning.

TEXTILE DANCE

On Friday evening, December 12th, a Textile Dance is to be held in upper Kitson Hall, Lowell Textile School. It is hoped that many of the alumni will be present and that practically all the student body. To make a real success of the dance the student body must turn out in force. Everybody be there to "shake a leg." Music will be furnished by Lowe's Orchestra of Boston. The best of refreshments will be served. Tickets are two-fifty a couple. Get yours early that the committee may know how many to provide for. Remember the date and have your coin ready when asked to buy a ticket.

NOMINATING COMMITTEE MEETS

Last Thursday afternoon the nominating committee held its first meeting. Russell, '20, was elected chairman and Washburn, '21, was elected secretary. The committee consists of:

Delta Kappa Phi: Brackett, Ross.
Omron Pi: Washburn, Sweet.
Phi Psi: Brown, Clayton.
Non-Fraternity: Russell, Goldman.

blocked by Stevens, Fitchburg recovering the ball. On a long forward pass they make first down. Lombard throws them for a 4 yd. loss on the first play, but on the second they work a successful long forward pass for a touchdown, but fail to kick goal.

They kick off to Lombard on the 12 yd. line, who by brilliant open field running, makes a 60 yd. run. Mott gains thru the line, followed by a 5 yd. pass Marble to Stevens. Then Textile lost the ball on downs. After failing to gain on two tries and being thrown for a loss by Scott, they punted. Lombard makes 5 yds. on an end run, before the whistle.

Sophs 6—Freshs 0

The first game of the interclass series has come and gone and the highly touted team of the freshmen has gone down to defeat. Before a wildly cheering body of students Brackett captured a free ball and romped over the line for a touchdown. The class of '22 attained a well earned victory for they showed a marked superiority thruout the entire game. Mandell cracked thru the freshmen line time and again while Berquist skirted the ends for several gains. Lawlor for the freshmen played a superb defensive and offensive game. Now for the clash between the two upper classes, and when the smoke from that clears away, the final game for the numerals on the cup.

Campus News

It is with regret that we hear of the loss of our beloved Ray Walker. In behalf of the school, we extend to him our deepest sympathies.

Glad to know that the injuries suffered by Berry in the New Hampshire-Textile game are not so great but what he is permitted to resume his studies again. However, it is with regret that we learn that his football days for the present are over.

From all appearances the gate receipts this year should make a nice little amount. Well it certainly can be used to good advantage.

Many fellows who played in the Sophomore-Freshman game didn't seem quite as full of "pep" after the game as before the fracas.

From some reports Boston University expects to have a cinch November 21st. It certainly is a good thing they think so for t'would be a shame to let them have the same feeling before the game as they will have after it. "The score may be close at the start."

EDITORIAL

CLASS SPIRIT

We were glad to note the grand re-
vival of class spirit as manifested by
the two inter-class football games to
date. The manner in which these
games were played, the interest taken
by the student body as a whole, and
the backing received by each team,
are manifestations of "grand and
glorious times" to come in the his-
tory of class athletics. The idea of
allowing the visitors in the football
schedule to wear their class numerals
is very good, and should be made to
include the other major sports.
Every man should be proud to be the
possessor of these indications of his
loyalty to his class, and resolve that
he will help his class to the best of
his ability in attaining them.

MASS MEETINGS

Many remarks have been made in
the past as to the conduct of the fel-
lows during a mass meeting. Whether
these are true or not, we should treat
these meetings more seriously. If a
fellow has some ideas which he
wishes to express, he should not
hesitate to give them for fear some
one is going to laugh at him as has
been the case sometimes in the past.
It does not help the meeting if you
converse with others near you. It is
only by tending to the business at
hand that these meetings can be
carried on efficiently and without
loss of time.

Textile—Tufts

Continued from page 1

Textile kicked off and by a lucky pass,
Thorpe to Grant, Tufts made a few
yards. The rest of the quarter the pig-
skin was punted back and forth.

Tufts received at the start of the
second half on her 30-yard line and was
held there. Textile lost the ball on a
fumble but recovered it when Tufts
punted. One of Stevens' passes was in-
tercepted by Tufts but to even it up,
Stevens intercepted a pass on the next
play and made 20 yards on it. Reynolds
of Tufts was knocked out while trying
to stop Stevens. Lombard in two cen-
tre rushes made another touchdown
and Wentworth kicked the goal.

Schwartz kicked off but Textile got
the ball on a fumble. A forward pass,
Lombard to Stevens, netted 15 yards
and Marble and Wentworth made gains,
carrying the pigskin down to the goal
posts. With the ball on the two yard
line, Lombard plowed through centre
for another touchdown. No goal was
kicked. The quarter ended with the
kickoff and Textile put all her substi-
tutes in the game.

It was Tufts ball at the start of the
last quarter but they had to punt. Jack
Goosetrey went around right end for
a 20 yard gain and after Lombard and
Goldman added a few more yards gain,
Fontaine made a 20 yard end run and
carried the ball over. Tufts protested
the play and although the umpire did
not require it, Textile called the touch-
down off and gave the ball to Tufts.

Tufts came back after that help and
managed to make two first downs, but
they could not get within 30 yards of
Textile's goal before the game ended.

Textile—Fitchburg Normal*Continued from page 1**Second Half*

Lombard gets the ball on the 10 yd. line, and crashes it back to the 32 yd. mark. We net first down on a pass, Lombard to Goulet. Lombard makes first down in two end runs. Pierce crashed thru for 4 yds., followed by a successful forward pass for first down. We gain 5 yds on another pass, Lombard to Brown. Stevens and Goulet gain 10 yds. apiece. Mott and Lombard hammer them for gains, followed by a 10 yd. plunge by Pierce. Marble goes thru center and is downed on the 1 yd. line. Lombard sails thru with half of the Normal team on his back for a touchdown.

Schwarz kicks off to their 18 yd. line. Marble and Scott stop the runner on the 30 yd. line. They gain 20 yds. on three successful passes. Walker replaces Mott. They punt and Marble recovers 20 yds. on clever open field running. Walker waltzes thru for 10 yds. Pierce smashes the line for 5 yds and Walker shimmied thru for 3 more. They intercept a long pass, giving them the ball. They made 15 yds. on a successful pass, but lost the ball on an interception on the next play. Stevens plows thru them for 12 yds. and Walker for 4 yds. and makes first down on the next play. Stevens gains 9 yds., Marker 5, Walker 5 and 6, but we were then penalized 5 yds. We then lost the ball on an intercepted pass on their 11 yd. line. Lombard crashes the man on the three yard line, and knocked him over the goal on

the ferocity of his tackle but the ball was given them on the 1-2 yd. line. They punted from behind the goal line. Marker gains 8 yds. around end, followed by a 7 yd gain by Walker. Marker gains 6 more yards, and then crashes thru for a touchdown. Lombard kicks off to them, and they by clever running return it to the 45 yd. line. After an incomplete forward pass, they were thrown back for a 20 yd. loss. They punt to Marble. Marker makes first down around end, and Lombard makes 8 yds. on a pass from Marker, followed by another. Marker to Walker. Walker then steps 8 yds. around end, and Lombard makes more distance on a pass from Marker. Pierce and Marker go thru the line for first down, and the game ended after Marble tore off 8 yds. around end.

FRATERNITY NEWS

FRESHMEN SMOKERS

At last representatives from each fraternity have got together and decided when they should have the Freshman smokers. As is known by the upper-classmen, each fraternity is allowed to hold one Freshman smoker before pledging time. Due to one delay after another, no smoker was held during the first five week period. As a result, the usual separation of five weeks will have to be shortened to four weeks. The decision reached by the representative committee was that Phi Psi should hold her smoker this month, Omicron Pi during the month of December and Delta Kappa Phi during the month of January.

Omicron Pi House Ready for Occupancy

The house bought by the Omicron Pi Fraternity last spring is practically ready for occupancy. The dwelling has been thoroughly remodelled and furnished so as to make an ideal home for the members of the chapter.

Those who are planning to live in the house are A. Goosetrey, Cockroft, Peckham, Jones, McCauley, Holden, Bidwell and Orr.

The members, both alumni and active, are to be heartily congratulated upon the fine spirit they have shown. During these times, especially, it requires much co-operation and interest to undertake making a home for a fraternity.

Congratulations and wishes for success to you, Omicron Pi.

Phi Psi To Hold Week-End Party

The members of Phi Psi Fraternity have decided to hold a house party over the week-end of November 22nd. Preparations and plans are being made for an enjoyable time. All alumni members are cordially invited to attend.
